

CITY OF LARAMIE

2009 STREET RECONSTRUCTION PROJECT

9th Street ***FROM*** ***Lewis Street to Grand Avenue***

The scope of this project includes waterline replacement, replacement of water services, street reconstruction, and installation of ADA compliant ramps at all street intersection corners. Additionally, curb, gutter, and driveway approaches in the project area will also be replaced.

The project is scheduled to begin May 18, 2009, and will be substantially complete by August 14, 2009. Vehicular and pedestrian traffic in the project area will be limited throughout the duration of the project.

The City of Laramie asks you take extra caution if traveling in the project area and, for your safety, you respect all traffic control in the area.

For more information regarding this project, please contact the Office of the City Engineer, 721-5250.

For patients of the Speech and Hearing Clinic, access to the parking area west of the Health Sciences building will be provided.
